

FASEB

Federation of American Societies
for Experimental Biology

Guide to Benefits: FASEB Helps Society Members

Valuable Resources at Your Fingertips

Science Policy

FASEB develops and advances proactive policy positions on issues affecting scientists including federal funding for research, animals in research and education, and training and career opportunities.

Advocacy

FASEB helps society members to play an active role in advocating for issues relevant to their fields. We provide the advocacy tools and information you need for contacting elected officials and the media.

The Washington Update

Our electronic newsletter provides news and analyses of federal science policy.

Breakthroughs & Horizons in Bioscience

These publications illustrate recent breakthroughs in biomedical research and their importance to society as well as scientific discoveries on the brink of clinical application. Issues are available free of charge and listed under Resources for the Public at www.faseb.org.

Directory of Members

Enjoy instant access to a vast database of your professional colleagues across the country as well as around the world. The directory is the essential reference for our community.

Professional Development & Diversity Resources

Resources that help strengthen the training opportunities for scientists through their careers. We also grant Travel Awards!

Financial Leverage

NIH Federal Credit Union

As the nation's largest credit union serving the biomedical community, members of FASEB and its constituent societies in MD/DC/VA/WV are eligible for membership. NIHFCU provides a full range of convenient, high-quality and money-saving financial products and services to meet our community's growing and diverse needs.

The Marketplace

Life Science Marketplace

Our online vendor search is designed for biological and biomedical researchers. Users can conveniently perform targeted searches for products and services needed to keep your lab or business running. Save valuable time and money! Visit <http://faseblifesciencemarketplace.com>.

Exclusive Discounts

The FASEB Journal

FASEB publishes the most cited biology journal worldwide and members of FASEB societies receive a 60 percent discount on the individual rate for online subscriptions. Subscribe today at www.fasebj.org.

The Job Center

Life Science Job Center

FASEB's Life Science Job Center is the place to search for and post jobs related to your specific career. Post your resume, create personalized job alerts, and check out upcoming career centers – all available online at <http://careers.faseb.org>

To learn more, visit www.faseb.org/MembershipBenefits or e-mail info@faseb.org.

FASEB

Federation of American Societies
for Experimental Biology

The Voice of 125,000 Biomedical Researchers

Our Mission

The Federation of American Societies for Experimental Biology (FASEB) was founded in 1912 and has grown to be the nation's largest coalition of biomedical researchers, representing 30 societies and over 125,000 scientists and engineers from around the world. FASEB is recognized as the policy voice of biological and biomedical researchers.

Our mission is to advance health and welfare by promoting progress and education in biological and biomedical sciences through service to our member societies and collaborative advocacy.

FASEB's member societies share a common vision for our community and join us to advance this mission.

Our Members

- The American Physiological Society (APS) (1912)
- American Society for Biochemistry and Molecular Biology (ASBMB) (1912)
- American Society for Pharmacology and Experimental Therapeutics (ASPET) (1912)
- American Society for Investigative Pathology (ASIP) (1913)
- American Society for Nutrition (ASN) (1940)
- The American Association of Immunologists (AAI) (1942)
- American Association of Anatomists (AAA) (1993)
- The Protein Society (PS) (1995)
- Society for Developmental Biology (SDB) (1996)
- American Peptide Society (APEPS) (1996)
- The Association of Biomolecular Resource Facilities (ABRF) (1998)
- American Society for Bone and Mineral Research (ASBMR) (1997)
- The American Society for Clinical Investigation (ASCI) (1998)
- Society for the Study of Reproduction (SSR) (1998)
- The Teratology Society (TS) (1998)
- Endocrine Society (ES) (1999)
- The American Society of Human Genetics (ASHG) (1999)
- International Society for Computational Biology (ISCB) (2003)
- American College of Sports Medicine (ACSM) (2005)
- Biomedical Engineering Society (BMES) (2009)
- Genetics Society of America (GSA) (2010)
- American Federation for Medical Research (AFMR) (2010)
- The Histochemical Society (HCS) (2011)
- Society for Pediatric Research (SPR) (2012)
- Society for Glycobiology (SfG) (2012)
- Association for Molecular Pathology (AMP) (2013)
- Society for Redox Biology and Medicine (SFRBM) (2014)
- Society for Experimental Biology and Medicine (SEBM) (2016)
- American Aging Association (AGE) (2016)
- U. S. Human Proteome Organization (US HUPO) (2016)
