

National Institutes of Health

State Funding Facts for FY 2016

Nevada

The **National Institutes of Health (NIH)** is the nation's primary medical research agency, supporting research efforts in all 50 states and the District of Columbia. Its **mission** is to seek fundamental knowledge about the nature and behavior of living systems and the application of that knowledge to enhance health, lengthen life, and reduce the burdens of illness and disability.

NEVADA BY THE NUMBERS¹

- \$31 million in NIH funding
- 6 NIH-funded institutions
- 55 NIH grants awarded
- 3 Congressional districts with NIH grants

NIH Funding of Select Nevada Institutions	
Institution	Total Funding
University of Nevada Reno	\$21,075,524
University of Nevada Las Vegas	\$7,380,308
Nevada Cancer Research Foundation	\$767,578
